Dear Midget

Torrey has promised to make visit here this week -  
Can't say just when - probably soon.

The ~~night~~ night  
might like to see the  
good soul. There  
are meals ready  
for you here & welcome  
Don't know about  
Miss D. - will ask -  
but no matter, if  
you care to come.  
Ever, Al Gray
